

May 2017 Village Council meeting maintenance report

Park

- Kept up with grading the road
- Got two loads of road gravel filled in all the potholes
- Picked Up more lumber and started working on the picnic tables that needed work done
- Daily bathroom cleaning and trash pickup
- Started mowing and trimming in the park weekly
- Got a few trash cans out and around the park
- Got a bigger dumpster for all the trash

Equipment

- Got the tan truck back from the shop
- Planning on bringing the red work truck in soon to get a yearly service done

Water

- Daily well checks
- Monthly water paperwork and water testing done
- Weekly well checks with Ben (Our licensed operator at this time)
- Couple water turn ons
- Couple water turn offs
- Weekly mowing at the well houses
- Met with the DEQ to look over the wells
- Helped fix a water service

General

- Picked up some sand piles around town
- Cleaned up around a few storm drains
- Put a new flag up at the shop
- Started putting up the American flags around town
- Put out all the flower pots
- Moved the compost pile around
- Weekly mowing around all the other spots around town

- Going to start putting trash cans around town soon
- Put a no parking sign up on the corner of smith and main
- Did some landscaping out front of the offices
- Temporarily fixed a few potholes around the town
- Cut down a tree at the pickleball courts
